The Deadman

Write some lyrics for a short song based on the title provided.

Song title: The Deadman

He was a cruel lover And he never wanted to be discovered But I was victim to his cold And he always had such a hold

I was addicted to his aching touch The way he was always too much Around him I could hear my screams And things would always feel like a dream

I wrote long love letters to the deadman Choking and begging for him to understand But he never wrote back He never gave me anything I lacked

And now I lay in my bed Thinking of all the things he said I wonder if he ever thinks of me The girl who loved the deadman

And I hope that he's happy But I know that he's not I hope he's found another victim To tie down with his rotten knot

And the ones we tell each other
So let's find the truth together
And set ourselves free

lullaby

Song title: Lullaby

Goodnight my dear, it's time to go to sleep

You've had a long day and you need your rest

But before you close your eyes, I just wanted to say

That I'm the best, I'm the best, I'm the best

And you're just lucky to be with me

So close your eyes and drift off to sleep

And dream of all the wonderful things we'll do

tomorrow, because I'm the best, I'm the best, I'm the best

And you're just lucky to be with me.
